

Encryption Research Project

Choose a person that was instrumental to the development of encryption from the selected list. Each person on the following list may only be chosen by one student on a first come basis. Research and provide a small presentation summarizing of how the person you chose helped develop/improve/contributed to furthering principles/field of encryption.

A list of cryptographers is located here: https://en.wikipedia.org/wiki/List_of_cryptographers
Along with wiki links. Research more than the wiki.

After you have some information about your research person, submit the following form: [LINK](#)
